

FULL CHAMPIONSHIP REPORT

The Pursuit of Excellence is a Matter of
Choosing the Best

First Annual
PROGRAM RECAP
MARCH 22-24, 2012 - LOUISVILLE, KENTUCKY

IN CONJUNCTION WITH THE

MID-AMERICA TRUCKING SHOW

We hope you're enjoying this year's Paul K. Young Truck Beauty Championship, the Mid-America Trucking Show, and all that these two great events have to offer.

As part of our commitment to bringing you the best events in the country, we are excited to announce the first annual P.K.Y. Program Recap, a real-time summary of the 23rd Annual Paul K. Young Truck Beauty Championship. Within these pages, you will find listings for every competitor in every class of the competition. We are thrilled to be the first of any class 8 truck beauty show in the country to produce a printed program for all of our participants. Given that the Mid-America Trucking Show is the largest and best heavy-duty trucking tradeshow in the country, it only makes sense that we produce the best truck beauty championships as part of MATS and this program is another way that we can showcase P.K.Y. as the leading event of its kind.

Now in its 23rd year, the P.K.Y. Truck Beauty Championship has consistently attracted many of the finest show trucks in the country. Highly regarded as the most elite show truck competition of the year, P.K.Y. owes its success and its elite status to many who have contributed throughout the show truck owners to their trucks, the outstanding sponsor support we see each year from the leading companies in the trucking industry, the thousands of truck-savvy show attendees admiring and taking pictures of these immaculate vehicles, and the hard work and dedication of the P.K.Y. event staff. We thank you all for the role you play in this event and your efforts to make P.K.Y. the best event in the country.

Congratulations to all the show truck participants at this year's competition. We are honored by everything you do to enhance the image of the trucking industry and commend you for showcasing your efforts here at P.K.Y. This program is sure to become a collector's item, so we hope you'll come back year after year to develop an enviable collection of programs showcasing your participation in the show. We hope you enjoy this report and we look forward to seeing everyone back at next year's show, March 21-23, 2013.

Bud Farquhar
Director, Stars & Stripes Show
Truck Events
