

# ROCKWOOD®

*The Ultimate Choice*

**ROCKWOOD**

In a short time, Rockwood Products, Inc. has built a hard earned but well-deserved reputation in the trucking industry, by combining the highest quality materials with impeccable craftsmanship, all made here in America. You'll see the results in every state on every road across this land, where professional truckers haul everyday. These are tough customers who take great pride in their equipment and demand only the very best for their rigs. The individuality and uniqueness of their truck portrays a tremendous dedication to their profession. To these folks, trucking is far more than just a job; it is their way of life. At Rockwood we all feel the very same way about the products we produce with attention on design, appearance, fit, and quality.

This is what makes Rockwood the *“Ultimate Choice!”*

# HushMat

## What is HushMat Ultra Sound Deadening and Thermal Insulation?

- Sound deadening material that eliminates vibration and road noise
- Deadens and insulates firewall, roof, floor, doors and sleeper
- Bonds up to 500 degrees F
- Lowers thermal transfer by over 40%
- Weighs ½ # per sq ft
- Flexible, formable and cuts with household scissors or box knife

## What is HushMat Silencer Megabond Sound Absorbing and Thermal Insulating Foam?

- Absorbs noise from engine, road & tire, exhaust and noisy neighbors
- Bonds up to 300 degrees F
- Available in 1/8", 1/4" and 1/2" thickness without adhesive and 1/4" and 1/2" with adhesive
- Super flexible and moldable – cuts with scissors
